ANNUAL REPORT 2023

WHO WE ARE

Let Us Create Futures (LUCF) is a Cambodian non-profit organization dedicated to advancing early childhood development for marginalized children in Preah Sihanouk Province

In addition to early education, we provide essential health and nutrition services, along with complementary support programs for women, children, and vulnerable members of the community

Our programs focus on creating safe, supportive environments where children under the age of seven can learn, grow, and thrive

KLANG LEU COMMUNITY CENTRE

The LUCF Centre in Klang Leu operates five days a week, offering preschool education and nutritional support to children aged 3 to 6

As the central hub of our services, the Centre also runs a range of community empowerment programs, with a particular focus on women and children.

Our growing community garden provides healthy, sustainable food—benefiting both the students in our programs and the wider community

PREY NUP HOMEBASED CARE

In the Prey Nup community, we are partnering with dedicated local leaders to deliver high-quality, home-based daycare options for families with young children

This initiative is supported through LUCF's social outreach programs, expert guidance from Early Childhood Development (ECD) specialists, ongoing mentorship for local care providers, and the provision of essential resources to strengthen the quality of care

Throughout 2023, we continued our work with two communities in the district to provide consistent childcare and nutrition for young children

Our broader support extended to food security initiatives for entire families, as well as community workshops and general health support

OUTREACH COMMUNITY SUPPORT

The LUCF Outreach Team is central to everything we do

Their dedication enables us to build meaningful relationships with families and deliver the tailored support each household needs

Through outreach, we aim to empower caregivers by providing access to vital services that enhance the health, stability, and overall wellbeing of families with young children

19 Families supported with emergency interventions

230 Families supported with clothes and household essentials

15 Families supported with home garden supplies
